NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.

Executive Offices: 70 Pine Street, New York, NY 10270

(212) 770-7000

(a capital stock company, herein referred to as the Company)

Policyholder: [ABC Organization]

Policy Number: [XXXXXX]

Security Evacuation Benefit Rider

This Rider is attached to and made part of the Policy[as of the Policy Effective Date shown in the Policy's Master Application][effective [Month Day, Year]. It applies only with respect to Occurrences that take place on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

If, as a result of an Occurrence that takes place during an Insured's Period of Coverage [and while [traveling outside his or her Home Country,]¹⁶ [outside a [50] mile radius from his or her place of Primary Residence,]¹⁵¹⁴ an Insured requires a Security Evacuation, the Company will pay benefits to Transport the Insured to the Nearest Place of Safety. The determination that an Insured requires a Security Evacuation must be made by a Designated Security Consultant and all arrangements must be made by [American International Assistance Services, Inc., (AIAS)]¹.

Benefits will be payable for eligible expenses up to the Maximum Amount. Eligible expenses are for Transportation and Related Costs to the Nearest Place of Safety necessary to ensure the Insured's safety and well-being as determined by the Designated Security Consultant. Security Evacuation benefits are payable only once per [Occurrence/Period of Coverage]².

[Benefits will also be payable for Transportation and Related Costs within [1-14] days of the Security Evacuation to either of these locations as chosen by the [Company]³ [Insured]³ [Designated Security Consultant]³:

- (1) back to the Host Country if return is safe and permitted; or
- (2) to the Insured's Home Country[; or
- (3)[where the Insured is currently permanently assigned by the [Policyholder]⁴ [Participating Organization]⁴ [where the [Policyholder]⁴ [Participating Organization]⁴ is located] [where the [educational institution]⁴ that sponsored the Insured's trip is located]]⁵[or
- (4) to the Insured's place of Primary Residence].

This benefit is subject to the overall Maximum Amount.]

[Benefits will be payable for consulting services by a Designated Security Consultant for seeking information on Missing Person or kidnapping cases if the Insured is deemed kidnapped or a Missing Person by local or international authorities. This benefit is subject to the overall Maximum Amount.]⁶

[AIAS]¹ must make all arrangements and must authorize all expenses in advance of any benefits being payable. [AIAS]¹ is not responsible for the availability of Transport services. Where a Security Evacuation becomes impractical because of hostile or dangerous conditions, a Designated Security Consultant will endeavor to maintain contact with the Insured until a Security Evacuation becomes viable.

Right of Recovery

If, after a Security Evacuation is completed, it becomes clear that the Insured was an active participant in the events that led to an Occurrence, the Company has the right to recover all Transportation and Related Costs from the Insured.

[Excess Provision

Benefits payable for the eligible expenses under this Rider will be limited to that part of the eligible expense, if any, which is in excess of the total benefits payable for the same Security Evacuation under any other valid S30622DBG (Rev. 11/08)

BSR

and collectible insurance or other indemnity. If the other valid and collectible insurance or indemnity provides benefits on an excess coverage basis, benefits will be paid first by the insurer or services plan whose coverage has been in effect for the longer period of time at the date of the Security Evacuation.

For purposes of this Rider, an Insured's entitlement to other valid and collectible insurance or indemnity will be determined as if this Rider did not exist and will not depend on whether timely application for benefits from other valid and collectible insurance or indemnity is made by or on behalf of the Insured.

Benefits under this Rider will be reduced to the extent that benefits for expenses are covered by any other valid and collectible insurance or indemnity whether or not a claim is made for such benefits.]⁷

[Changes in Terms and Conditions

The terms and conditions of this Rider, including but not limited to the definition of Excluded Countries, may be changed at any time to reflect conditions that, in the opinion of the Company, constitute a change in the [Policyholder's]⁴ [Participating Organization's]⁴ security evacuation exposure. The Company will give the [Policyholder]⁴ [Participating Organization]⁴ written notice of any change in the terms and conditions of this Rider at least [10-45] days in advance of the effective date of the change.]⁸

This Rider is attached to and made part of the Policy[as of the Policy Effective Date shown in the Policy's Master Application][effective [Month Day, Year]. It applies only with respect to Occurrences that take place on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

If, as a result of an Occurrence that takes place during an Insured's Period of Coverage [and while [traveling outside his or her Home Country,] [outside a [50] mile radius from his or her place of Primary Residence,]] an Insured requires a Security Evacuation, the Company will pay benefits to Transport the Insured to the Nearest Place of Safety. The determination that an Insured requires a Security Evacuation must be made by a Designated Security Consultant and all arrangements must be made by [American International Assistance Services, Inc., (AIAS)].

Benefits will be payable for eligible expenses up to the Maximum Amount. Eligible expenses are for Transportation and Related Costs to the Nearest Place of Safety necessary to ensure the Insured's safety and well-being as determined by the Designated Security Consultant. Security Evacuation benefits are payable only once per [Occurrence/Period of Coverage]².

[Benefits will also be payable for Transportation and Related Costs within [1-14] days of the Security Evacuation to either of these locations as chosen by the [Company]³ [Insured]³ [Designated Security Consultant]³:

- (1) back to the Host Country if return is safe and permitted; or
- (2) to the Insured's Home Country[; or
- (3)[where the Insured is currently permanently assigned by the [Policyholder]⁴ [Participating Organization]⁴ [where the [Policyholder]⁴ [Participating Organization]⁴ is located] [where the [educational institution]⁴ that sponsored the Insured's trip is located]]⁵[or

[Benefits will be payable for consulting services by a Designated Security Consultant for seeking information on Missing Person or kidnapping cases if the Insured is deemed kidnapped or a Missing Person by local or international authorities. This benefit is subject to the overall Maximum Amount.]⁶

[AIAS]¹ must make all arrangements and must authorize all expenses in advance of any benefits being payable. [AIAS]¹ is not responsible for the availability of Transport services. Where a Security Evacuation becomes impractical because of hostile or dangerous conditions, a Designated Security Consultant will endeavor to maintain contact with the Insured until a Security Evacuation becomes viable.

Right of Recovery

If, after a Security Evacuation is completed, it becomes clear that the Insured was an active participant in the events that led to an Occurrence, the Company has the right to recover all Transportation and Related Costs from the Insured.

[Excess Provision

Benefits payable for the eligible expenses under this Rider will be limited to that part of the eligible expense, if any, which is in excess of the total benefits payable for the same Security Evacuation under any other valid S30622DBG (Rev. 11/08)

and collectible insurance or other indemnity. If the other valid and collectible insurance or indemnity provides benefits on an excess coverage basis, benefits will be paid first by the insurer or services plan whose coverage has been in effect for the longer period of time at the date of the Security Evacuation.

For purposes of this Rider, an Insured's entitlement to other valid and collectible insurance or indemnity will be determined as if this Rider did not exist and will not depend on whether timely application for benefits from other valid and collectible insurance or indemnity is made by or on behalf of the Insured.

Benefits under this Rider will be reduced to the extent that benefits for expenses are covered by any other valid and collectible insurance or indemnity whether or not a claim is made for such benefits.⁷
